A graphic for Easter Sunday featuring a close-up of a yellow lily flower with dark brown stamens. The flower is set against a background of a cracked, light-colored stone, possibly representing the stone rolled away from the tomb. The text "easter SUNDAY" is prominently displayed in the upper right, with "easter" in a green, lowercase font and "SUNDAY" in a gold, uppercase font. Below this, the phrase "Christ Is Risen!" is written in a gold, cursive font. The date "April 21, 2019" is at the bottom right in a black, cursive font. The overall lighting is soft and warm, with some bokeh effects in the background.
